

True Happiness Is Praying With Success

Chapter Five

True Happiness Is Praying With Success! Millions of people around the world pray each day, but a very small percentage ever receive an answer.

True prayer is not some religious exercise or tradition or ritual that we perform to appease a higher power or the “gods.” True prayer is direct communication with our Creator, through His Son, Jesus Christ.

Learning to pray according to God’s Word is essential to your success as a Christian. This is one of the most precious privileges we have, as God’s children.

Anytime, anywhere, in any circumstances, we can pray and expect our Heavenly Father to hear us, and answer our prayer according to what He has promised in His Word.

This chapter will teach you how to communicate with your Heavenly Father, and receive from Him all that you need.
