

True Happiness

Is Partnership With God

Chapter Seven

True Happiness Is Partnership With God! Living in partnership with our Creator is the most rewarding of life's experiences. This is how we reach our full potential and highest purpose as children of God.

No experience in our lifetime can compare with the times when we are living in partnership with God. Our daily participation with God in fulfilling His plans and purposes for our lives and the lives of others that we touch, bring us the deepest joy and True Happiness.

Living life outside of relationship and partnership with God caused your life to be empty and meaningless, but when you received Jesus and were Born Again, you became a partner with God. You are ready to live supernaturally, hand in hand with Him by the power of the Holy Spirit.

The disciples went out and preached everywhere, and the Lord worked with them and confirmed His Word by the signs that accompanied It, and He now wants to work with you.
